

# VISION HOPE PARTNERS

*Ministry Update from Steve Smeltzer*

## ***THE JOURNEY BEGINS***

This is my inaugural newsletter. I chose the name Vision Hope Partners as it embodies the message of the ReachGlobal Crisis Response team.

And as of September 12, I am officially part of the team. Thank you for all of you who have been praying with me for God's leadership and direction. This is an exciting time for me and Cindy as we step out in faith to follow where God is leading. Many of you know I have been involved with the Crisis Response team as a volunteer on and off since 2005 and Hurricane Katrina. I have seen the power of this ministry to transform lives first-hand in New Orleans, Haiti, Houston and Corpus Christi. I am excited to be joining the team full-time and ask you to come along with me on this journey.

## ***MY ROLE***

I will be focusing on helping to raise awareness of the ministry, train and educate churches regarding potential crisis events in their own communities, mobilize churches and teams to serve at Crisis Response sites, and to help raise up teams to serve both domestically and internationally. I will also serve at specific Crisis Response sites as needed and will help support discipleship making activities and home visits to those impacted by crisis events.

## ***PT-DEV***

The timing for joining the ministry team was great in that I was able to attend the semi-annual PT-Dev (Personal and Team Development) meeting in Houston in July. This four-day meeting gave me a chance to meet most of the team and learn a good deal more about the ministry. It was a time teaching and encouragement, focusing on individual growth and team building.

## ***MINISTRY FOCUS & LOCATIONS***

The Crisis Response team has found that when the normalcy of life is disrupted through crisis there is a unique opportunity to be a tangible witness of Christ's love in both word and deed. There are five current crisis response sites in the US:

*ReachGlobal Crisis Response Team @ PT-Dev in Houston, Texas*

New Orleans, LA - Hurricane Katrina  
Houston, TX (2 sites) - Hurricane Harvey  
Corpus Christi, TX - Hurricane Harvey  
Morehead City, NC - Hurricane Florence

Internationally the team is helping to respond to various crisis events in the Philippines - Typhoon Haiyan, Jordan - Syrian refugee crisis and others as needed and led by the Lord.

## ***PRAYER REQUESTS***

I would appreciate your prayers for me as I continue my onboarding for this ministry. Pray that I can get up to speed quickly on all aspects of the ministry. Pray for me as I begin reaching out to churches to set up meetings to help them learn more about the ministry. Pray that God would call churches and teams to serve at the various ministry sites. Pray that I can quickly raise the necessary financial support for my ministry activities.

## ***BECOME A MINISTRY PARTNER***

I would like to ask you to Partner with me in this wonderful ministry. I need both spiritual support and financial support.
